Chamber News

Want to increase traffic to
your place
of business?

Here's a simple
way to do just
that!!!

Your chamber staff would love to help
you bring in more business. If you have
a company brochure, business
cards or a coupon
that we can give to folks who come in or
call the office.

We'll make sure that we get in the
hands of visitors!!!

Make it easy for them to
find you...bring some info by the office
to be on display.
